Rick:
I think this will do. I will attach the signature page (adobe pro) to the lab report. We will likely need this for the backup for the disposal facilities.
Thanks

Gary,
We don't currently have a mechanism to sign the electronic copy. You will get a hard copy in the mail with signature. If it is critical that you get a signed electronic copy before the hard copy arrives, then we could PDF the signature page of the hard copy and email it to you. Let me know if you need us to do that and I will get it done today.
Rick.

Rick,
I am leaving at 2:30 today and will not be in the office on Friday. When you get done with the CES Environmental report can you please email the pdf and the Excel EDD to Gary Moore? Can you also mark it as completed in the LIMS for me?

If you have any problems you can give me a call.
